

**RE: Anticipated Winter Weather & Weather Policies 2021/2022**

**Dear Treetop Families!**

**We wanted to have our families be ready for any weather that comes our way! Wind, Snow, Ice!**

**We strive to stay open for normal business hours during most weather in our area.**

**IF and when we have limited hours or any closures, all parents will be informed by 5:00 AM that day via email. We will also post it on our Facebook page. We follow Bremerton School District's snow day closures.**

**Any limited hours or closures would be related to the ability for our staff to safely travel to work and keep our teacher to child ratios required by DCYF.**

**Additionally, if the roads and weather deteriorate during school hours, we may inform parents to pick up early to allow staff time to make it home safely.**

**We also would like to remind you that it is very important for fresh air and outdoor play daily. We are required by WAC to have children outside no less than 60 minutes daily.**

**PLEASE dress your child for appropriate weather, send warm jackets, boots, hats/mittens, etc. Also, if you can bring your child an extra set of clothes in a ziplock bag labeled with name in case your child's gets wet and would like to change.**

**MAKE SURE TO LABEL YOUR CHILD'S BELONGINGS!**

**Thank you!**

**Treetop Village Management**
